**OFFICE OF PETITIONS**

MACEVICZ, STEPHEN C.  
345 OYSTER POINT BLVD.  
SOUTH SAN FRANCISCO, CA 94080

In re Application of :  
Sharat Singh et al : DECISION ON PETITIONS  
Application No. 10/740,079 : UNDER 37 CFR 1.78(a)(3) AND  
Filed: December 18, 2003 : UNDER 37 CFR 1.78(a)(6)  
Attorney Docket No. 089.00US : :

This is a decision on the renewed petitions under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6), filed July 11, 2005, to accept an unintentionally delayed claim under 35 U.S.C. §§120, 365(c) and 119(e) for the benefit of the prior-filed applications set forth in the concurrently filed amendment.

The petitions are **Granted**.

A petition for acceptance of a claim for late priority under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6) is only applicable to those applications filed on or after November 29, 2000. Further, the petition is appropriate only after the expiration of the period specified in 37 CFR §§ 1.78(a)(2)(ii) and 1.78(a)(5)(ii). In addition, the petition under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6) must be accompanied by:

- (1) the reference required by 35 U.S.C. §§ 120 and 119(e) and 37 CFR §§ 1.78(a)(2)(i) and 1.78(a)(5)(i) of the prior-filed application, unless previously submitted;
- (2) the surcharge set forth in § 1.17(t); and
- (3) a statement that the entire delay between the date the claim was due under 37 CFR §§ 1.78(a)(2)(ii) and 1.78(a)(5)(ii) and the date the claim was filed was unintentional. The Commissioner may require additional where there is a question whether the delay was unintentional.

The instant nonprovisional application was filed after November 29, 2000, and the claim herein for the benefit of priority to the prior-filed applications is submitted after expiration of the period specified in 37 CFR §§ 1.78(a)(2)(ii) and 1.78(a)(5)(ii). Therefore, this is a proper petition under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6).

The instant nonprovisional application was pending at the time of filing of the reference to the prior-filed provisional application as required by 37 CFR 1.78(a)(5)(ii). Additionally,

intermediate Application No. PCT/US02/21339, was filed within twelve months of the filing date of the prior-filed provisional applications, for which priority is claimed.

The petition complies with the requirements for a grantable petition under 37 CFR §§1.78(a)(3) and 1.78(a)(6) in that (1) a reference to the above-noted, prior-filed nonprovisional applications has been included in an amendment to the first sentence of the specification following the title and in an Application Data Sheet, as provided by 37 CFR §§ 1.78(a)(2)(iii) and 1.78(a)(5)(iii); (2) the surcharge fee required by 37 CFR 1.17(t) has been submitted; and (3) the petition contains a proper statement of unintentional delay. Accordingly, having found that the instant petition for acceptance of an unintentionally delayed claim for the benefit of priority under 35 U.S.C. §§ 120 and 119(e) to the above-noted, prior-filed nonprovisional applications satisfies the conditions of 37 CFR §§ 1.78(a)(3) and 1.78(a)(6), the petition is granted.

*The granting of the petition to accept the delayed benefit claim to the prior-filed applications under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6) should not be construed as meaning that the instant application is entitled to the benefit of the filing date of the prior-filed applications. In order for the instant application to be entitled to the benefit of the prior-filed applications, all other requirements under 35 U.S.C. §§120 and 365(c) and 1.78(a)(1) and (a)(2) and under 35 U.S.C. §119(e) and 37 CFR 1.78(a)(4) and (a)(5) must be met. Similarly, the fact that the corrected Filing Receipt accompanying this decision on petition includes the prior-filed applications should not be construed as meaning that applicant is entitled to the claim for benefit of priority to the prior-filed applications noted thereon. Accordingly, the examiner will, in due course, consider this benefit claim and determine whether the instant application is entitled to the benefit of the earlier filing date.*

A corrected Filing Receipt, which includes the priority claim to the prior-filed applications, accompanies this decision on petition.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. If the person signing the instant petition desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. While a courtesy copy of this decision is being mailed to the person signing the instant petition, all future correspondence will be directed to the address currently of record until such time as appropriate instructions are received to the contrary.

Any questions concerning this matter may be directed to the undersigned at (571) 272-3208. All other inquiries concerning either the examination procedures or status of the application should be directed to the Technology Center.

This application is being forwarded to Technology Center Art Unit 1637 for appropriate action on the amendment submitted July 11, 2005, including consideration by the examiner of the claim under 35 U.S.C. § 120 and 365(c) and 37 CFR 1.78(a)(2) for the benefit of the prior-filed application, and for consideration of the claim under 35 U.S.C. §119(e) and 37 CFR 1.78(a)(5) for the benefit of the prior-filed provisional applications.
